OFFICIAL CENSUS

Census-taker _____

Pretend you are a census-taker. Take a census of your family, classroom, or neighbors. If you would like to make up new questions to ask, there are two blank columns on the right side of the form. What can we learn about the past by looking at a census record? If a historian examined your census 50 years from now, what could they learn about you and your family and friends?

Inhabitants in _____, in the County of _____, State of _____,

Enumerated by me on this _____ day of _____ (month and year). Page _____ of _____
