

Name _____ Date _____

STUDENT WORKSHEET

Map the Rivers

Directions: Using an atlas or map, identify and label on the map below the names of these rivers that drain into the Chesapeake Bay:

Courtesy – National Aquarium

Susquehanna River
Patapsco River
Potomac River
Rappahannock River
Patuxent River
York River
James River
Choptank River
Nanticoke River
Chester River

Extension Activities

Locate where you live on the map. Find the stream or river nearest your home that flows into the Chesapeake Bay. Draw the rivers in your area on the map.

Research the origins of one of the river names.
