The online *Activity Guide* was financed in part with a Mini Grant from Four Rivers: The Heritage Area of Annapolis, London Town & South County, with State funds from the Maryland Heritage Areas Authority, an instrumentality of the State of Maryland. Seasons of a Chesapeake Bay Waterman: An Activity Guide for Teachers was developed through a grant from the Chesapeake Bay Gateways Network.

The Chesapeake Bay Gateways Network unites more than 100 parks, wildlife refuges, maritime museums, historic sites, and water trails across the Bay watershed. Visit them all and enjoy the full meaning of the Chesapeake story.
